

# GM Membership Holiday Update

The Unifor/GM Master Agreement Para.(90) shows June 26, 2020 as our contractual time off for Canada Day. This will continue to be observed as a statutory holiday.

As in previous years, the Company will allocate 80 hours of vacation pay to the weeks of June 29-July 3, 2020 and July 6-July 10, 2020. This is taxed separately from hours worked (if any), so the tax implications are lessened. The remaining lump sum vacation pay will be paid out the week of June 22-June 26, 2020.

Due to Bay 12 refurbishment, **Stamping only** will have vacation shutdown the weeks of

- June 29-July 3, 2020
- July 6-July 10, 2020

Regular Stamping production resumes Monday, July 13, 2020.

As previously communicated, there is no summer shutdown scheduled for the rest of the facility.

Ask your supervisor if you require additional time off. If there are any issues with time off, please let your committeeperson know right away.

**Company Communication:** GM is making changes to the hourly communication channels. You will be able to receive internal GM communications via the GM Oshawa website [www.gmoshawa.ca](http://www.gmoshawa.ca); Socrates; the internal GM site; and the new Oshawa OEM Facebook page. Members will be sent an invitation to join this closed group. The Company will be rolling out this process in the coming weeks.

**Job Postings:** A reminder, all active members currently working in the facility can post on job postings. If interested in a posting, have your supervisor enter your request on a posting, and remember to get a paper receipt for your records. If you are the highest seniority member on the posting, you must take it.

**Recalls:** in June, 24 members will have been recalled

## Tentative Recalls:

- for July, 27 members are tentatively scheduled to be recalled
- for August, 14 members are tentatively scheduled to be recalled
- for September, 6 members are tentatively scheduled to be recalled

The second shift in sub-assembly is tentatively scheduled to start in August.

***On behalf of your Unifor in-plant reps, we would like to wish you  
and your family a safe and enjoyable summer.***

***In Solidarity,***
