

Shop Committee UPDATE

First Canvass: The first canvass ended Friday, June 14, 2019 at 4:00 p.m. A combined total of 1,330 letters were sent to Skilled Trades and Production. The breakdown of the returned letters is as follows:

Skilled Trades

281 Retirements
3 Grow-in to retirement
2 PRIMP
3 Pro-rated

Total 289

Production

751 Retirements
49 Grow-in to retirement
43 PRIMP
90 Pro-rated

Total 933

We would like to thank everyone who applied; the acceptance rate was over 90%.

As a result of the high number of Skilled Trades who applied, we will immediately start to meet with upper management now that we have actual numbers to work with. We are looking for a solution that will attempt to both address the Company's required staffing numbers that will also allow all members who have signed up to retire.

An updated seniority list with all members who applied removed will be posted by the end of this week (June 21st). **The second set of canvass letters will be sent out June 24, 2019. The deadline to return these is Friday, July 19, 2019 at 4:00 p.m.**

The Company will be posting the ESA-required layoff notice after our summer shutdown. The layoff notice and employee lists will be posted at each entrance and cafeteria. These notices are based on the anticipated buildout dates for Flex and Truck.

The production buildout schedule will be finalized at that time, which is when we anticipate the Company will start to plan the retirement schedule for the membership.

Vacation pay will be paid out Thursday, June 27 to all members who qualify in accordance with the Collective Agreement.

In closing, we would like to wish everyone a safe and enjoyable summer vacation shutdown with your families.

In Solidarity,

Colin James
