

Shop Committee UPDATE

Meeting May 3 Cancelled

Our discussions with General Motors management on a resolve to our policy grievance are ongoing; **however, the membership meeting set for this Friday is cancelled.**

This is not the outcome we wanted, but we're not going to sign up for something that is incomplete. We will continue to keep you posted moving forward.

Our goal as a Shop Committee during these meetings with General Motors has been to make the best of a terrible situation. We persist with our intention to address all our location's demographics **while enhancing the current severance language and incentive packages in our contract.** We will not stop meeting until this is addressed. Please note, an Arbitrator does not have the ability to determine any settlement that goes beyond the existing contract language.

The last five months have been hard for everyone: our membership, our families, our community. Your Shop Committee is grateful for all your patience and efforts throughout this extremely difficult process. We will continue to keep you updated.
