The 2018 United Nations theme aims to:

- ❖ Promote the rights enshrined in the Declaration from the second World Conference on Ageing and what it means in the daily lives of older persons;
- ❖ Raise the visibility of older people as participating members of society committed to improving the enjoyment of human rights in many areas of life and not just those that affect them immediately;
- ❖ Reflect on progress and challenges in ensuring full and equal enjoyment of human rights and fundamental freedoms by older persons.
