

Special Oakley Membership Update

Oakley Oshawa Local 222 Members:

The union and company have reached a signed memorandum of a closure agreement.

Unifor National Representative Steve Batchelor and Local Union President Colin James will make arrangements to come to the facility to present the agreement to our members.

This will take place either Friday, August 9th or Monday, August 12th. We want to thank all members for cooperating with us, which inevitably helped to reach a deal.

Please make note that as a result of this agreement, there will be no job action or work stoppage by Oakley employees and all employees are expected to report for work as usual.

In Solidarity,

*Steve Batchelor
National Representative*

*Colin James
President*

*Brian Powers
Chairperson*
