

# TIME TO CARE RALLY

**Ontario's long-term care system  
is in crisis and is less funded  
than any other province in Canada.**

**Queen's Park Toronto  
Tuesday, Feb. 27, 2018  
Bus leaves 10:30 a.m.  
Rally 12 noon to 2:00 p.m.**

Bill 33, the Time to Care Act, calls to make a minimum standard of 4 hours of daily, hands-on care for seniors in long-term care the law in Ontario. Our MPPs passed it at Second Reading, now we need to get it over the finish line. On Tuesday, Feb. 27 let's rise up for seniors in long term care who have waited far too long. Come to Queen's Park at 12:00 noon to send the Premier and all our MPPs a clear message:

**Make Time to Care  
the law in Ontario**
