

Wildflower Planting

Heber Down Conservation Area, Whitby

Saturday, April 21, 2018

Volunteers of all ages are needed to plant 1,000 native wildflowers that will grow into a meadow for native butterflies & insects.

Everyone is asked to dress for the weather, bring a hat, sunscreen, boots and a refillable water bottle.

The event is free and will run rain or shine. Volunteers are asked to register online at www.udrec.com or call Jesse Forbes at 905-434-0491
